ŠANCE ISLANDS FAIR GUIDE

This guide will help you to better orientate yourself in the 3D tropical world of ŠANCE Islands and will help you increase the probability of success with exhibitors. Suit up your swimsuit, dazzle your future employer and enjoy this unique event full of fun!

TECHNICAL PREPARATION

- Download the program with the virtual world, you have a ticket in your e-mail.
- Once launched, enter the password from the ticket, including the number after the dash (XXXX-1).
- Get a fast enough internet connection. (The world doesn't run on a mobile phone).
- Make sure you have enough free disk space (at least 5 GB).
- Check the functionality of your camera and microphone. We recommend having a mouse.
- If you can't enter the world, turn off your VPN and Proxy server.

PREPARE YOURSELF

- Carefully study the map of the fair and the list of exhibitors.
- Think about what goals you want to achieve:
  - » find a job, internship, or part-time job,
  - » get acquainted with company consultants and get contacts,
  - » find out the topic for the bachelor or diploma thesis,
  - » learn what to focus on, for a great career,
  - » overcome yourself and practice communication.
- Map the work environment (type of job, salary, benefits...).
- Update your CV.

DURING THE FAIR

- Choose your avatar and get acquainted with the control of the virtual world.
- Do not burden the computer with demanding processes while the program is running.
- Choose the correct program resolution according to your computer's performance.
- Visit as many exhibitors as possible, lesser-known companies can pleasantly surprise you.
- Drop the barriers, don't be shy and be communicative, you have nothing to lose.
- Do not turn off the camera during conversations, it does not make a good impression.
- Participate in competitions and win interesting prizes.
- Invite your friends and come take a picture in the photo-booth.

ENJOY THE EVENT 100 %
